## FOR ALL CLINICAL STUDENTS WHO ARE NOT ON LEAVE

Health Insurance coverage is automatically billed to your student account anytime there is a rotation scheduled within the Semester “Period.” You will be placed on the policy for the entire academic year. A card will not be mailed to you. You can either print your card from the Aetna website or call Aetna Customer Service and request one to be mailed to you.

Waiving the AUC school sponsored health insurance (Aetna):

- **IMPORTANT: You only have 30 days after becoming enrolled with the Aetna Health Plan to waive your insurance for the academic year.** The academic year begins each Fall and the deadline to waive this insurance is October 1st. Only new Spring and Summer enrollments will be eligible to waive insurance within 30 days of billing after October 1st.
- If you have other health insurance, you will need to complete a waiver form at: [www.aucmed.edu](http://www.aucmed.edu) Under: Student Services/Forms and Resources/Clinical Health Insurance Waiver. You will be redirected to Aetna’s website. Waiver requests are subject to comparable coverage verification and Aetna approval.
